## Warning against AbitoTrade

Published 15-08-2024

The Danish Financial Supervisory Authority (FSA) warns the public against the activities of AbitoTrade.

It has come to the attention of the Danish FSA that the company AbitoTrade is providing investment services in Denmark, without any authorization to operate as an investment firm in Denmark.

The company uses the website [www.abitotrade.com](http://www.abitotrade.com) and the email address [support@abitotrade.com](mailto:support@abitotrade.com). Other similar email addresses and domain names may also be used. The communication is conducted in English.

The Danish FSA strongly advice against responding to any offer of financial instruments or services made by AbitoTrade and against transferring money to any account number it might mention. Moreover, the Danish FSA recommends that investors do not communicate with anyone from the firm.

The Danish FSA's [business register](#) contains information on which companies are authorized to offer financial services in Denmark.
